

DISCIPLESHIP TRAINING

Woodmont Baptist offers adult Discipleship Training Classes on Sunday nights and Wednesday nights, and occasionally at other times during the week. These classes build and enhance a Christians daily walk and their understanding of the Christian life and walk. Many of these classes are short term classes on topics such as ethics, parenting, prayer, Bible book studies, Beth Moore studies, witnessing and more. We also have an ongoing Bible Prophecy class that meets throughout the year on Sunday nights.

If you would like to find out more information, have a specific topic offered or perhaps teach a class, contact Steve Thompson at 256-366-6119.
